Kristen Redman RDH, graduated with honors from the New Hampshire Technical Institute in 1992 with an Associate Degree in Science. Currently, she is a dental hygienist at the Maplewood Dental Group in Nashua, NH. She has been working for Dr. Storace and Dr. Pederzani for over 15 years.

Three years ago, Kristen became the hygienist for the Milford School Dental Clinic. She loves providing dental care for these children. Kristen just finished her classes at NHTI to become a certified Public Health Dental Hygienist, which will enable her to expand her hygienist duties to greatly benefit the children of the district.

When she is not providing preventative dental care, Kristen loves spending time with her 2 boys and husband. She enjoys skiing, spinning, watching lacrosse games, and going to Hampton Beach.

Cathy Mook RDH, NTP, RYT graduated from Hudson Valley Community College in 1977 with an Associate Degree in Science. She worked as a Registered Dental Hygienist in private practice from 1977-2007. She took the assistant/hygienist position with the Milford School Dental Clinic in 2007. Cathy will soon complete her certification as a Public Health Dental Hygienist through NHTI.

In addition to being an RDH, Cathy has a certification as a Nutritional Therapy Practitioner and she is a Registered Yoga Teacher. She is married and has 2 grown children. She enjoys yoga, gardening, cooking, biking, and hiking.
